

a) Hard coral and gorgonian recorded at MB1.

b) Soft substrate with silty seabed recorded at MB2.

c) Soft substrate with silty seabed recorded at MB3.

d) Soft substrate with silty seabed recorded at MB4.

e) Soft substrate with silty seabed recorded at MB5.

f) Soft substrate with silty seabed recorded at MB6.

g) Soft substrate with silty seabed recorded at MB7.

h) Soft substrate with silty seabed recorded at MB8.

i) Soft substrate with silty seabed recorded at MB9.

j) Soft substrate with silty seabed recorded at MB10.

k) Soft substrate with silty seabed recorded at MB11.

l) Soft substrate with silty seabed recorded at MB12.

m) Soft substrate with silty seabed recorded at MB13.

n) Soft substrate with silty seabed recorded at MB14.

o) Soft substrate with silty seabed recorded at MB15.

p) Hard coral recorded at MB16.
