1	NP & TTM Application	[Gantt bar: 2024-07 to 2024-08]																																																																																									
2	Tree Felling and/or Site Clearance	[Gantt bar: 2024-07 to 2024-09]																																																																																									
3	Lung Fu Road Slip Road	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	3a - LFR Viaduct (North Section)	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(i) Predrilling	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ii) UU Diversion	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(iii) Piling	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(iv) ELS	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(v) Pile Caps	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(vi) Abutment & Piers, and Reinstatement of Slope	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(vii) Bridge Deck	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(viii) Noise Barriers, Street Lighting, Street Furniture, Road Surfacing & Road Marking	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ix) Landscape and Establishment Works	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	3b - LFR Viaduct (South Section)	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(i) Predrilling	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ii) UU Diversion	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(iii) Piling	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(iv) ELS	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(v) Pile Caps	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(vi) Abutment & Piers, and Reinstatement of Slope	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(vii) Bridge Deck	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(viii) Noise Barriers, Street Lighting, Street Furniture, Road Surfacing & Road Marking	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ix) Landscape and Establishment Works	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	3c - Slip Road between TWR & WCR	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(i) Predrilling	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ii) ELS	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(iii) Piling (Stage 1 - At Ex. Slopes)	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(iv) Retaining Walls and U-troughs (Stage 1)	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(v) Formation of Temp. Road for Traffic Diversion	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(vi) Piling (Stage 2 - At Ex. Slip Road)	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(vii) Retaining Walls and U-troughs (Stage 2)	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(viii) Street Lighting, Street Furniture, Road Surfacing & Road Marking	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ix) Landscape and Establishment Works	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	3d - TWR adjacent to Tsing Shan Tunnel LRT Station	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(i) Street Lighting, Street Furniture, Road Surfacing & Road Marking	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ii) Landscape and Establishment Works	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	3e - Road Intersection of Lung Mun Road near Glorious Garden	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(i) Street Lighting, Street Furniture, Road Surfacing & Road Marking	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ii) Landscape and Establishment Works	[Gantt bar: 2024-07 to 2024-12]																																																																																									
4	Hoi Wing Road Slip Road and Junction Improvement of Castle Peak Road	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	4a - Hoi Wing Road Slip Road	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(i) Boulder Survey	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ii) Predrilling	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(iii) UU Diversion, Removal and Re-provision of Staircase	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(iv) ELS Works (Stage 1 - For Piling Works)	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(v) Piling (Bored Piles)	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(vi) Piling (Socketed H-piles)	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(vii) ELS Works (Stage 2 - For U-trough Construction)	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(viii) U-trough Structure	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ix) Street Lighting, Street Furniture, Road Surfacing & Road Marking	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(x) Landscape and Establishment Works	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	4b - Junction Improvement Works between Hoi Wing Road and Castle Peak Road	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(i) UU Diversion	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(ii) Junction Improvement Works	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	4c - Junction Improvement Works between Sam Shing Street and Castle Peak Road	[Gantt bar: 2024-07 to 2024-12]																																																																																									
	(i) Junction Improvement Works	[Gantt bar: 2024-07 to 2024-12]
