Dear Sir/Madam,

Agreement No. CE 20/2021 (CE)
First Phase Development of the New Territories North -
San Tin / Lok Ma Chau Development Node - Investigation

Technical Note on Traffic Forecast on Environmental Assessment

I refer to the email correspondence between your Martin LAW and me in August 2023 (**copy attached**).

Whilst your side confirmed that your assumptions adopted for the purposes of conducting EIA are on conservative side, such that incorporating GTS in future would not induce changes which trigger variation of EP, we have no comment from traffic point of view.

Yours faithfully,

(Florence KWAN)
for Commissioner for Transport
