Response Form

Part I. (Note)

This is a corporate response (representing the views of a group or an organization),

private response (representing the views of an individual),

by _____

(name of person or organization)

at _____

and _____

(telephone)

(email)

Note: *The Government may wish, either in discussion with others or in any subsequent report, whether privately or publicly, to be able to refer to and attribute views submitted in this response. Any request to treat all or part of a response in confidence will be respected, but if no such request is made, it will be assumed that the response is not intended to be confidential.*

Part II.

Specific Questions for Consultation

Q1: The Government proposes to extend the levy scheme on PSBs to cover all retailers. Do you agree with this direction? [cf. Chapter 3]

Views: _____

Q2: Should you agree with the Government's proposal in extending the coverage of the Levy Scheme to all retailers, do you agree that all retailers, regardless of their business scale, should be covered? [cf. Chapter 4]

Views: _____

Q3: Should exemption be granted to PSBs that are directly and solely used for food hygiene purposes? Are there other circumstances where the use of PSBs is also justifiable on the grounds of food hygiene? [cf. Chapter 4]

Views: _____

Q4: Apart from those PSBs used on food hygiene grounds, should we also include flat-top bags (those bags without handles) into the definition of PSBs and be regulated? [cf. Chapter 4]

Views: _____

Q5: When extending the scope of the PRS to all retailers, our analysis revealed that requiring retailers to remit the charge collected to the Government would add cost to the operation of the retailers (in particular the SMEs). Given that the purpose of the PRS is not to raise government revenues but to deter indiscriminate use of PSBs through economic disincentive, should we adopt the Government's proposed approach to reduce indiscriminate PSB use by introducing legislation on a mandatory charge by retailers where the charges collected need not be remitted to the Government as the practice already adopted in the Mainland and Taiwan? [cf. Chapter 5]
