***For discussion***

**Hong Kong Disneyland Fireworks Trial Test Results**

As per Condition 3.1 of the Further Environmental Permit ref. FEP-01/059/2000 which states “*Before the operation of the Project, the Permit Holder shall carry out trial firework displays and associated air quality and noise monitoring. The details of the trial and monitoring programme shall be submitted to the Director for agreement at least one month prior to the trial fireworks displays. The results of the trial fireworks displays shall be submitted to the Director for agreement prior to the operation of the Project. The results of the trial tests and associated air quality data shall be provided to the Advisory Council on the Environment for consultation, as directed by the Director.*”, we are pleased to provide the following to the Advisory Council on the Environment for consultation –

- (a) a summary of the trial test results in the paper at **Annex A**; and
- (b) the results of the trial tests and associated air quality data as detailed in the Monitoring Report at **Annex B**.
