<sup>^</sup> To distinguish whether the body type “Others” is classified under (A) General open body and enclosed body or (B) Body with equipment, vehicle owners can send a written enquiry to [EU4dcv@epd.gov.hk](mailto:EU4dcv@epd.gov.hk). Should there be any discrepancy between the English and Chinese versions of the body types, the English version of the body type as at 1 January 2020 stated in the Vehicle Registration Document shall prevail.

@For an eligible Euro IV DCV, its body type (for DCVs other than single deck non-franchised buses) or body type and passenger seating capacity (for single deck non-franchised buses) stated in the vehicle registration document as at **1 January 2020** will be taken in calculating the amount of ex-gratia payment.

\* Counting from the first registration date of the vehicle to the date of cancellation of its vehicle registration.
