MS. Kristine Chau:

i would like to inform you that I would like to be placed on your potential list of consultants for the deep tunnel program at this time. Please keep me informed as to what type of consultants you are in the process of retaining. Once i can get the specific information as to how and what currency consultants will be paid in, risk assessment etc., then I can approach our ~~corporate office~~ about this project. You can either send me any information to my personnel email: \_\_\_\_\_ or to my business email. Thank you for your time and I look forward to hearing from you again.
