(for example surface water drain, foul sewer, treatment plant, river, stream or sea); draw a sketch plan of the discharge in section C.

SECTION C. Plan.

If the application is for discharges from domestic premises, omit this section. If the application is other than for discharges from domestic premises, draw or attach in this section a sketch plan showing the following details —

- (1) the location of the premises;
- (2) the location of the discharge points;
- (3) the places where samples of the effluent maybe taken.

SECTION D. Renewal or Variation.

Complete this section if you are applying to vary or renew an existing licence.

(1) Existing licence number _____

(2) Date licence expires _____

If the application is for a variation of conditions, state the variation sought and the reasons for it —

SECTION E. Declaration.

All applicants must complete this section.

I hereby certify that the particulars provided in this form are, to the best of my knowledge and belief, correct.

Signed _____
(Applicant)

Date _____

- NOTE: 1. Please use a separate sheet of paper where the space provided in the form is not sufficient.
2. The information given in this application, and the result of the application, will be recorded in a register open for public inspection. If an applicant wishes to withhold certain information from public notification, a separate application under section 43 of the Ordinance will be required.
 3. The issue of a licence is subject to payment of a prescribed fee, details of which are provided in a leaflet attached to this application form. A demand note for the fee, specifying the date by which it should be paid, will be sent to the applicant. A licence will not be issued unless the fee is paid by the due date.

Warning: Regulation 17 of the Water Pollution Control (General) Regulations makes it an offence punishable with a maximum fine of \$10,000 for a person in completing the form to knowingly or recklessly make a statement or give an estimate which is incorrect in a material particular or knowingly omit a material particular.

Personal Information Collection Statement

Purpose of Collection

1. The personal data provided by means of this form will be used by Environmental Protection Department for one or more of the following purposes:
 - a. activities relating to the processing of your submission in this form;
 - b. administration and enforcement of relevant environmental legislation;
 - c. pollution complaint investigations;
 - d. statistical and any other legitimate purposes; and
 - e. to facilitate communications between Government and yourself.

2. The provision of personal data by means of this form is voluntary. If you do not provide sufficient information, we may not be able to process your application.

Classes of Transferees

3. The personal data you provided by means of this form:
 - (i) may be disclosed to:
 - a. other government bureaux and departments, and any other organisations for the purposes mentioned in paragraph 1 above, and
 - b. other persons as permitted by the relevant legislation;

 - (ii) and will be disclosed in a register open for inspection by the public for the purpose of making representations about the control of water pollution in Hong Kong.

Access to Personal Data

4. You have a right of access and correction with respect to personal data as provided for in section 18 and 22 and principle 6 of Schedule 1 of the Personal Data (Privacy) Ordinance. Your right of access includes the right to obtain a copy of your personal data provided by this form.

Enquiries

5. Enquiries concerning the personal data collected by means of this form, including the making of access and corrections, should be addressed to:
